**DEPARTMENT OF ENGLISH**  
(Academic Year 2021-2022)

**A. Introduction of Remedial Coaching in English**

Yeshwantrao Chavan College, Ambajogai is situated in the rural area where the students fear to learn the subject like English seriously as the subject for Opt. English. As they belong to rural area, they do not get the facilities like tuitions extra coaching, spoken ability developing courses and the innovative learnings due to the ICT infrastructure.

Realizing the difficulties of the students, the Dept. of English has decided to raise the moral confidence of our students in bringing them to the main stream of English language learning by starting the remedial coaching. It is an effort to help the slow learners to raise their linguistic abilities to cope up with the course they are learning. It will also help them to learn the syllabus of Comp. & Opt. English through this course. The Dept/ of English feels it useful for the slow learners.

**B. Aims of the Remedial Coaching**

To help the slow learners understand their regular course by providing them additional coaching of basic knowledge of English language.

**C. Objectives of Remedial Coaching**

1. To raise students' interest in learning English language with vocabulary with accuracy of grammar.
2. To shape written & spoken ability of the students.
3. To help them understand alphabets, words, sentences, tense, etc. so as to build their confidence in English language learning.
4. To motivate and to turn them to learn English as Opt. subject.
5. Students of B.A, B.Com., B.Sc., I & II year who are learning Comp. English & whose linguistic performance is weak are selected for the course.
