WALL PAPER ON - PAPER NO. 521

LITERATURE IN ENGLISH - 1780-1900

Features of Romantic Ballads

Romantic ballads were first published in 1795 in the book 'The Ancient Ballads' by James Hall. The book was one of the first to collect and publish ballads from various sources. It is a collection of various and unclassified ballads in their original form. The poems are arranged in three parts: 1) The first part contains ballads collected by John Hall and J. B. Hall. These are the first part of the collection. 2) The second part contains ballads collected by other sources. 3) The third part contains ballads collected by other sources.

Short Ballads in English

There are various types of poems like epic, ode, elegy, sonnet, ballad etc. Ballads have additional structure and additional features. They are a form of narrative poetry which has a definite form. It is a form of narrative poetry which has a definite form. It is a form of narrative poetry which has a definite form.

The Significance of the Romantic Movement

The Romantic Movement was a literary movement that began in the late 18th century and lasted until the mid-19th century. It was a reaction against the Enlightenment and the Industrial Revolution. The Romantics emphasized the individual, the imagination, and the natural world. They were interested in the past, in the exotic, and in the supernatural. They were also interested in the human condition and in the human mind.

The Romantics emphasized the individual, the imagination, and the natural world. They were interested in the past, in the exotic, and in the supernatural. They were also interested in the human condition and in the human mind.

The Romantic Movement was a literary movement that began in the late 18th century and lasted until the mid-19th century. It was a reaction against the Enlightenment and the Industrial Revolution. The Romantics emphasized the individual, the imagination, and the natural world. They were interested in the past, in the exotic, and in the supernatural. They were also interested in the human condition and in the human mind.

The Romantic Movement was a literary movement that began in the late 18th century and lasted until the mid-19th century. It was a reaction against the Enlightenment and the Industrial Revolution. The Romantics emphasized the individual, the imagination, and the natural world. They were interested in the past, in the exotic, and in the supernatural. They were also interested in the human condition and in the human mind.

ONLINE QUIZ ORGANIZED BY THE DEPARTMENT OF ENGLISH

Quiz-I

Life and Works of William Shakespeare

Department of English

M.S.P. Mandal's

Yeshwantrao Chavan Arts, Commerce and Science College , Ambajogai, Dist. Beed (M.S.)

(Academic Year 2020-21)

During the days of Covid-19, our classroom learning is entirely stopped. The present Quiz is an attempt to begin the process of learning with the online tools. The Quiz focuses upon the life and works of William Shakespeare, who is a great poet and dramatist of English literature. Our college has taken initiative to warm-up the students and help them join the college and the college activities with these things. Hope the students will enjoy it and once again return to the atmosphere of education.
