

2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the web-link)

- **Learning outcomes at the level of institution in the form of Motto, Mission and Vision Statement**

Our institution is committed to the uplift of rural masses which is clearly stated in the Motto, Mission and Vision statement of the institution. It is already stated in institutional data also.

- **Learning outcomes at the level of Staff:**

- **Committed faculty with institution's Motto, Mission and Vision Statement:**

Our faculty is fully acquitted and committed with the Mission and Vision statement of the institution due to which they are continuously connected with recent knowledge of their subject with the help of central library, e-library and ICT infrastructure available in the college.

- **Research Oriented Faculty :**

Time to time, the faculty refreshes knowledge with the help of seminars, conferences, workshops and writing research papers. They attend and present the research papers which sharpens their knowledge base needed for the classroom teaching of their concern subjects. During the academic year 2019-20, 52 research papers are written by the faculty. Almost all the faculty members attended international, national, state level seminars and conferences. One faculty member published his poems and speeches regarding moral values and the core values of the NAAC on youtube channels. 03 faculty members gave online speeches on various occasions with the help of facebook. 05 faculty members uploaded their e-content related to the syllabus on youtube.

- **Effective implementation of curricular, co-curricular and extra-curricular activities :**

The teachers implement their recent knowledge in the form of organizing students activities through various curricular, co-curricular and extra-curricular activities with the help of effective regular teaching learning with help of advanced tools of ICT available in the college, NCC, NSS, Cultural, Sports, Women's Grievances and Redressal Cell, Placement Cell, Lifelong Learning and Extension Services etc.

09 departments of the college organised One Day National Webinars through which the curricular, co-curricular and extra-curricular activities held effectively.

- **Learning outcomes at the level of Students :**

As a result of knowledge, research and availability of ICT use in teaching learning, our students give very good result in the university exams. The following data of March/April-2020 university examination will make the statement clear. The result of the same is presented in 2.6.2.
